EFFECTIVE DATES

Effective Date of Insured’s Insurance. The Insured’s insurance will be effective as follows:

1. if the Policyholder does not require the Insured to contribute toward the premium for this coverage, the Insured’s insurance will be effective on the date the Insured became eligible;
2. if the Policyholder requires the Insured to contribute toward the premium for this coverage, the Insured’s insurance will be effective on the date the Insured became eligible, provided;
 - a. the Insured has given the Company the Insured’s enrollment form (if required) on, prior to, or within 30 days of the date the Insured became eligible; and
 - b. the Insured has agreed to pay the required premium contributions; and
3. if the Insured fails to meet the requirements of 2 a) and 2 b) within 30 days after becoming eligible, the Insured’s coverage will not become effective until the Company has verified that the Insured has met these requirements. The Insured will then be advised of the Insured’s effective date.

Effective Date of Dependents’ Insurance. Coverage for Dependents becomes effective on the later of:

1. the date Dependent coverage is first included in the Insured’s coverage; or
2. the premium due date on or after the date the person first qualifies as the Insured’s Dependent. If an enrollment form is required, the Insured must provide such form and agree to pay any premium contribution that may be required prior to coverage becoming effective.

If the Insured and the Insured’s spouse are both Insureds, one Insured may request to be a Dependent spouse of the other. A Dependent child may not be covered by more than one Insured.

Newborn Children. A Dependent child born while the Insured’s coverage is in force will be covered from the moment of birth for 31 days or greater, if elected by the Policyholder. In order to continue coverage beyond this period, the Insured must provide notice to the Company and agree to pay any premium contribution that may be required within this period.

Adopted Children. If a Dependent child is placed with the Insured for adoption while the Insured’s coverage is in force, this child will be covered from the date of placement for 31 days or greater, if elected by the Policyholder. In order to continue coverage beyond this period, the Insured must provide notice to the Company and agree to pay any premium contribution that may be required within this period. If proper notice has been given, coverage will continue unless the placement is disrupted prior to legal adoption and the child is removed from placement.

BENEFITS

Benefits are payable for each Insured Person as shown in the Schedule of Benefits for expenses incurred while this insurance is in force.

Comprehensive Eye Examination. An Insured Person is eligible for one Comprehensive Eye Examination in each Benefit Frequency.

In-Network Provider Benefits. The Insured Person must pay any Co-payment or any cost above the allowance shown in the Schedule of Benefits at the time the covered service is provided. Benefits will be paid to the In-Network Provider who will file a claim with the Company.

Out-of-Network Provider Benefits. The Insured Person must pay the Out-of-Network Provider the full cost at the time the covered service is provided and file a claim with the Company. The Company will reimburse the Insured Person for the Out-of-Network Provider benefits up to the maximum dollar amount shown in the Schedule of Benefits.

Vision Materials. If a Vision Examination results in an Insured Person needing corrective Vision Materials for the Insured Person's visual health and welfare, those Vision Materials prescribed by the Provider will be supplied, subject to certain limitations and exclusions of the Policy, as follows:

- *Lenses* provided one time in each Benefit Frequency.
- *Frames* provided one time in each Benefit Frequency.
- *Contact Lenses* provided one time in each Benefit Frequency in lieu of lenses.

LIMITATIONS

Fees charged by a Provider for services other than a covered benefit must be paid in full by the Insured Person to the Provider. Such fees or materials are not covered under the Policy.

Benefit allowances provide no remaining balance for future use within the same Benefit Frequency.

EXCLUSIONS

No benefits will be paid for services or materials connected with or charges arising from:

1. orthoptic or vision training, subnormal vision aids and any associated supplemental testing; Aniseikonic lenses;
2. medical and/or surgical treatment of the eye, eyes or supporting structures;

10. lost or broken lenses, frames, glasses, or contact lenses will not be replaced except in the next Benefit Frequency when Vision Materials would next become available.

TERMINATION OF INSURANCE

The Policyholder or the Company may terminate or cancel the Policy as shown in the Policy.

For All Insureds. The Insureds' insurance will cease on the earliest of the following dates:

1. the date the Policy ends;
2. the end of the last period for which any required premium contribution agreed to in writing has been made;
3. the date the Insured is no longer eligible for insurance; or
4. the date the Insured's employment with the Policyholder ends. The Policyholder may, at the Policyholder's option, continue insurance for individuals whose employment has ended, if the Policyholder:
 - a. does so without individual selection between Insureds; and
 - b. continues to pay any premium contribution for those individuals.

For Dependents. A Dependent's insurance will cease on the earlier of:

1. the date the Insured's coverage ends;
2. the date in which the Dependent ceases to be an eligible Dependent as defined in the Policyholder's application; or
3. the end of the last period for which any required premium contribution has been made.

A Dependent child will not cease to be a Dependent solely because of age if the child is:

1. not capable of self-sustaining employment due to mental incapacity or physical handicap that began before the age limit was reached; and
2. mainly dependent on the Insured for support.

The Company may ask for proof of the eligible Dependent child's incapacity and dependency two months prior to the date the Dependent child would otherwise cease to be covered.

The Company may require the same proof again, but will not ask for it more than once a year after this coverage has been continued for two years. This continued coverage will end:

1. on the date the Policy ends;
2. on the date the incapacity or dependency ends;
3. on the end of the last period for which any required premium contribution for the Dependent child has been made; or
4. 60 days following the date the Company requests proof and such proof is not provided to the Company.

Continuation of Insurance for a Spouse. If the marriage is dissolved by judgment; the Insured dies; or the Insured retires, the spouse may be issued a certificate for this same coverage, without evidence of insurability and with credit on any waiting periods, upon application made to the Company within 30 days following the entry of such judgment, death, or retirement, and upon payment of the appropriate premium. The spouse must have been covered under the Policy as a Dependent at the time of the entry of such judgment, death, or retirement. Dependent children covered under the Policy at the time of the entry of such judgment, death, or retirement may also be continued under the spouse's certificate.

Continuation of Insurance for Dependent Children. If the Insured dies, the Dependent children may be issued a certificate for this same coverage, without evidence of insurability and with credit on any waiting periods, upon application made to the Company within 30 days following the death of the Insured, and upon payment of the appropriate premium. The Dependent child must have been covered under the Policy as a Dependent at the time of the death of the Insured.

CLAIMS

Notice of Claim. Written notice of claim must be given to the Company within 30 days after the occurrence or commencement of any loss covered by the Policy, or as soon as is reasonably possible. Notice given by or for the Insured Person to the Company at the Company's home office, to the Company's authorized administrator or to any of the Company's authorized agents with sufficient information to identify the Insured Person will be deemed as notice to the Company.

Claim Forms. The Company will furnish claim forms to the Insured Person within 15 days after notice of claim is received. If the Company does not provide the forms within that time, the Insured Person may send written proof of the occurrence, character and extent of loss for which the claim is made within the time stated in the Policy for filing proof of loss.

Proof of Loss. Written proof of loss must be furnished to the Company at the Company's home office within 90 days after the date of the loss. Failure to furnish proof within the time required will not invalidate or reduce any claim if it was not reasonably possible to give proof within that time, if the proof is furnished as soon as reasonably possible. In no event, except in the absence of legal capacity, will proof of loss be accepted later than one year from the time proof is required.

Time Payment of Claims. Any benefit payable under the Policy will be paid immediately, but not more than 30 days, upon receipt of due written proof of loss. Claims not paid by the 30th day will be paid at the percentage rate set by the state from the 30th day.

Payment of Claims. All claims will be paid to the Insured, unless assigned. Any benefits payable on or after the Insured's death will be paid to the Insured's estate.

Right of Recovery. If payment for claims exceeds the amount for which the Insured Person is eligible under any benefit provision or rider of the Policy, the Company has the right to recover the excess of such payment from the Provider or the Insured.

Legal Actions. No Insured Person can bring an action at law or in equity to recover on the Policy until more than 60 days after the date written proof of loss has been furnished according to the Policy. No such action may be brought after the expiration of three years after the time written proof of loss is required to be furnished. If the time limit of the Policy is less than allowed by the laws of the state where the Insured Person resides, the limit is extended to meet the minimum time allowed by such law.

GENERAL PROVISIONS

Clerical Error. Clerical errors or delays in keeping records for the Policy will not deny insurance that would otherwise have been granted, nor extend insurance that otherwise would have ceased, and call for a fair adjustment of premium and benefits to correct the error.

Conformity to Law. Any provision of the Policy that is in conflict with the laws of the state in which it is issued is amended to conform with the laws of that state.

Entire Contract. The Policy, including any endorsements and riders, the Certificate, the Policyholder's application, which is attached to the Policy when issued, the Insured's individual enrollment form, if any, and the eligibility file, if any, are the entire contract between the parties. A copy of the Policy may be examined at the Office of the Policyholder during normal business hours. All statements made by the Policyholder or an Insured will, in the absence of fraud, be deemed representations and not warranties, and no such statement shall be used in defense to a claim hereunder unless it is contained in a written instrument signed by the Policyholder, the Insured, the Insured's beneficiary or personal representative, a copy of which has been furnished to the Policyholder, the Insured, the Insured's beneficiary or personal representative.

Amendments and Changes. No agent is authorized to alter or amend the Policy, or to waive any conditions or restrictions herein, or to extend the time for paying any premium. The Policy and the Certificate may be amended at any time by mutual agreement between the Policyholder and the Company without the consent of the Insured, but without prejudice to any loss incurred prior to the effective date of the amendment. No person except an Officer of the Company has authority on behalf of the Company to modify the Policy or to waive or lapse any of the Company's rights or requirements.

Incontestability. After the Policy has been in force for two years, it can only be contested for nonpayment of premiums. No statement made by an Insured Person can be used in a contest after the Insured Person's insurance has been in force for two years during the Insured Person's lifetime. No statement an Insured Person makes can be used in a contest unless it is in writing and signed by the Insured Person.

Insurance Data. The Policyholder must give the Company the names and ages of all individuals initially insured. The names of persons who later become eligible (whether or not the person becomes insured), and the names of those who cease to be eligible must also be given. The eligibility dates and any other necessary data must be given to the Company so that the premium can be determined.

The Company has the right to audit the Policyholder's books and records as the books and records relate to this insurance. The Company may authorize someone else to perform this audit. Any such inspection may be done at any reasonable time.

Workers' Compensation. The Policy is not a Workers' Compensation policy. The Policy does not satisfy any requirement for coverage by Workers' Compensation Insurance.

AMENDATORY RIDER REGARDING REPLACEMENT COVERAGE

The Policy/Certificate to which this Amendment Rider is attached is amended as follows:

The following applies when the Policy serves to replace coverage an Employer previously obtained through another plan or policy. In this provision, that other plan or policy is referred to as the prior plan. An Employer's coverage under the Policy will not be considered as replacement coverage unless the Employer's coverage under the Policy takes effect within 60 days after coverage under the prior plan ends.

In the absence of this provision, an Insured Person who was covered by the prior plan at the date of discontinuance might not qualify for coverage under the Policy because the person is not actively at work or is confined in a Hospital.

Each such person will be insured under the Policy if:

- (a) the person was insured under the prior plan, including coverage under the prior plan's extension of benefits provision, on the date the Employer's coverage with the prior plan ended;
- (b) the prior plan covered more than fifteen (15) people; and
- (c) the person is in a class of persons eligible for coverage under the Policy.

The benefits payable for the persons described above will be the benefits of the Policy less any amount payable under the prior plan pursuant to any extension of benefits provision.

This Rider takes effect on the effective date of the Policy/Certificate to which it is attached. This Rider terminates concurrently with the Policy/Certificate to which it is attached. It is subject to all the terms and conditions of the Policy/Certificate except as stated herein.

ILLINOIS CIVIL UNION AMENDMENT RIDER For Illinois Residents Only

By attachment of this Rider, the definition of a Dependent spouse in the Policy/Certificate is amended to include a person who is party to a Civil Union as defined below only to the extent that any existing language does not meet the minimum requirements of Illinois state law:

The term "spouse" or "Spouse" is defined as follows:

Spouse means:

1. a person to whom the Insured is legally married; or
2. the Insured's partner in a Civil Union recognized as such under Illinois state law.

Civil Union means a legal relationship between two persons, of either the same or opposite sex, established pursuant to the Illinois Domestic Partnerships or Civil Unions: Civil Union Act.

AMENDMENT RIDER For Illinois Residents Only

By attachment of this Rider, the Policy/Certificate is amended by the following:

Any provision of the Policy/Certificate that provides coverage for a Dependent child up to a certain age is amended to cover such child to age 26, regardless of financial dependency, residency, student status, or marital status.

Coverage for an unmarried Dependent child who is a full-time student will continue if such Dependent child, due to catastrophic illness or injury, is required to take a medical leave of absence from school or reduces the Dependent child's course load to part-time status. Continuation of insurance under the Policy will terminate 12 months after notice of the catastrophic illness or injury or until the coverage would have otherwise lapsed pursuant to the terms and conditions of the Policy, whichever occurs first. The Company may require the Dependent student's attending Physician to certify to the Company, in writing, that the need for part-time status or medical leave of absence is medically necessary.

Coverage for an unmarried Dependent child who is residing in Illinois and was recently released or discharged from either the active or reserve components of the Armed Forces of the United States may be added or may be continued to age 30, provided the child received a release or discharge other than a dishonorable discharge.

This Rider takes effect on the effective date of the Policy/Certificate to which it is attached. This Rider terminates concurrently with the Policy/Certificate to which it is attached. It is subject to all the definitions, limitations, exclusions and conditions of the Policy/Certificate except as stated.

NOTICE OF PROTECTION PROVIDED BY ILLINOIS LIFE AND HEALTH INSURANCE GUARANTY ASSOCIATION

This notice provides a **brief summary** description of the Illinois Life and Health Insurance Guaranty Association ("the Association") and the protection it provides for policyholders. This safety net was created under Illinois law that determines who and what is covered and the amounts of coverage.

The Association was established to provide protection in the unlikely event that your member life, annuity or health insurance company becomes financially unable to meet its obligations and is placed into Receivership by the Insurance Department of the State in which the company is domiciled. If this should happen, the Association will typically arrange to continue coverage and pay claims, in accordance with Illinois law, with funding from assessments paid by other insurance companies.

The basic protections provided by the Association per insolvency are:

- Life Insurance
 - \$300,000 in death benefits
 - \$100,000 in cash surrender or withdrawal values
- Health Insurance
 - \$500,000 in hospital, medical and surgical insurance benefits*
 - \$300,000 in disability insurance benefits
 - \$300,000 in long-term care insurance benefits
 - \$100,000 in other types of health insurance benefits
- Annuities
 - \$250,000 in withdrawal and cash values

*The maximum amount of protection for each individual, regardless of the number of policies or contracts, is \$300,000, except special rules apply with regard to hospital, medical and surgical insurance benefits for which the maximum amount of protection is \$500,000.

Note: Certain policies and contracts may not be covered or fully covered. For example, coverage does not extend to any portion of a policy or contract that the insurer does not guarantee, such as certain investment additions to the account value of a variable life insurance policy or a variable annuity contract. There are also residency requirements and other limitations under Illinois law.

To learn more about these protections, as well as protections relating to group contracts or retirement plans, please visit the Association's website at www.ilhiga.org or contact:

When selecting an insurance company, you should not rely on Association coverage. If there is any inconsistency between this notice and Illinois law, then Illinois law will control.
